## Upper Trafalgar Street wins award

People of Nelson, thanks for helping Upper Trafalgar Street win a Highly Commended Trafanz Safety Leadership Award recently.

The popular Upper Trafalgar Street has become a place for people to socialise, in keeping with the Smart Little City vision and the priorities stated in the Long Term Plan 2018–28. As a result, Council decided to transform part of Nelson's main street into a pedestrian-only people-place.

We hope you continue to keep enjoying it over the summer months as the area continues to be utilised as a people space. Stay tuned for more exciting additions to the area.

City Centre Development Programme Lead Alan Gray and Infrastructure Committee Chair Brian McGurk with the Award on Upper Trafalgar Street.

## Summer brings so many things

More shows, a different New Year's Eve format and Opera in the Park being back in the city are all part of the 2019–20 summer events programme.

There's no better region than Nelson Tasman over the summer months says Nelson City Council Community Services Committee Chair, Matt Lawrey, pointing to the Summer Events Guide as proof.

Delivered into letterboxes this week, the Guide is packed with hundreds of free or affordable events for locals and visitors to enjoy for the next four months.

The Teddy Bears' Picnic starts the summer event season, a month earlier than usual on 8 December at Isel Park, Stoke. The family picnic event for bears and their humans will include a lantern-making area so children can create their own carry-along light for the Lantern Celebration on 14 December.

The Al Fresco Summer Movies programme is larger than ever with seven different movies, 18 screenings and 10 venues across the region. Commencing 13 December, the line-up includes a salute to the 50th anniversary of the Apollo 11 flight.

"Personally, I'm really looking forward to taking the kids to The Pink Panther. I remember laughing my head off watching Peter Sellers as Inspector Clouseau when I was a kid. It really is a comedy classic," Councillor Lawrey says.

The city's New Year's Eve Countdown at the top of Trafalgar Street will have a different format this year with the introduction of a special kids' time from 8pm culminating with a countdown and fireworks at 10pm. The adult part of the evening then takes over through

to the midnight countdown and fireworks.

At the end of January, the Nelson Buskers Festival will showcase extraordinary performers from around the world across four venues this summer including Mapua Wharf as well as three city locations.

The biennial Nelson Opera in the Park is back at Trafalgar Park on 15 February with a stellar programme of opera and contemporary singers alongside the outstanding New Zealand Symphony Orchestra.

For all the information on events for all ages and stages across our amazing region, check out [itson.co.nz](http://itson.co.nz), view the guide online at [summerevents.nz](http://summerevents.nz) or grab a print copy from the Nelson City Council Customer Service Centre or the i-SITE.

Stoke Library – Corner Putaitai Street & Neale Avenue, Stoke

## Second Hand Sunday helps Sarah with clutter-free living

Nelson resident Sarah Brown once picked up a mussel buoy at a Second Hand Sunday, which was repurposed by her mother, and is now used as a raised garden bed for her highly-prized silverbeet and lettuces.

Sarah enjoys living clutter-free and it makes her happy knowing her items are getting a second life.

"It's such a good chance to pass things on without adding to landfill or paying tip costs," Sarah says. "It was such a fun and easy way to pass on my unused items."

"My kids got on board too and filled a box with toys they no longer play with."

Sarah recommends others take part in Second Hand Sunday by either getting rid of or foraging for items.

"One person's trash is another person's treasure," Sarah says.

Second Hand Sunday is on Sunday 8 December from 10am. The participant address list can be found on Council's website from lunchtime on Friday 6 December.

## Nelson City Council is now on Antenno

Are you unsure when your next recycling day is? Download Antenno!

Council is now using a free mobile app called Antenno that sends you alerts and notifications about places and topics you care about, like a reminder to put out your recycling.

There are two ways you can use Antenno; receive notifications from us about the places you have marked as important to you, or reporting back to us on issues or feedback.

Antenno lets you choose the places you want to be alerted about, so you're not being alerted about things that don't affect you. You can have multiple "places" which could be the area you live in, work or play. As well as recycling, you can expect to see updates from Council on road closures, emergency events, water outages, community events, matters up for consultation and much more.

It's simple and easy to use and no personal information or log on details are required. The app is available on both Apple and Android smartphones.

For further details go to:
